NARRATIVE:

Foster has an extensive criminal history that began at the age of 19. He has been convicted of robbery, burglary, exhibiting a deadly weapon, theft of personal property, transporting/selling narcotics, theft, petty theft w/ prior jail, conspiracy to commit a crime, disorderly conduct, possession of controlled substance, and fugitive from justice. Foster has served multiple state prison terms the longest a seven (7) year term for robbery. Foster was released from state prison to the supervision of the Los Angeles County Probation Department on June 02, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2013 after Foster absconded from post release community supervision (PRCS). Foster qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substance falls under the guidelines for PRCS under the California penal code. His prior criminal history, and current failure to comply with the terms of release, make him a most wanted. If you know his whereabouts please contact...
